

## Reopening School Child Nutrition Programs (CNP) A COVID-19 Toolkit

### I. OVERVIEW

*School district and Child Nutrition Program leaders should use this toolkit as a guide in transitioning meal programs from Phase 2 to reopening schools. Content from the links below may be adopted in district level planning, policies and procedures for safe and successful reopening of school meal programs. Resources linked to this form reflect current information provided to the State. It is subject to change based on further developments and will be updated accordingly.*
