Student Artwork Display How-To

Getting students involved in the lunchroom fuels student pride and excitement! Student artwork on display shows students they are welcome. Donate cafeteria wall space to fill with student artwork.

1. Using the lunch tray template, have students draw a picture of their favorite school lunch.
2. Hang student artwork on the lunchroom wall for the whole school to see.
3. Take pictures of your student artwork on display and share online! Tag Well-Ahead Louisiana, Louisiana Department of Education, and Louisiana Fit Kids!
